Remembering Mrs Madonsela

Marist Brothers Linmeyer was shocked and saddened to hear of the passing of much-loved staff member Phumzile Madonsela who died on Saturday 16 June 2018.

Phumzile joined our school in 2012 as a Zulu teacher in the Primary School and quickly endeared herself to students, parents and staff alike through her passion, commitment and love for teaching. She was a vastly experienced teacher and respected member in her subject cluster group.

A quiet unassuming soul, Phumzile cared deeply for all her students. She developed and grew the Zulu Department to a point where our Grade Fours of 2019 will now have the choice to make Zulu their Additional Language of choice.

Phumzile always had a kind word to say and lived her life with humility and grace. It was evident to see that her faith was important to her and was the driving force in her life.

This special teacher crept into the hearts of so many and her legacy will live on at Marist Brothers Linmeyer.

Phumzile loved her family immensely and spoke with pride about her children’s achievements. We know how much she was loved by her family and we offer our sincere condolences to them all.

We believe that Phumzile is with her Heavenly Father and know that she is happy and rejoicing.

We will miss her tremendously and she will always be a member of our Marist community.

With much love
Marist Brothers Linmeyer
PRAYER FOR THE WEEK
Lord Jesus, may I bear good fruit for your sake and reject whatever will produce evil fruit. Help me grow in faith, hope, love, sound judgement, justice, courage and self-control.

PRIMARY SCHOOL NEWS

MINI CITY COUNCIL BLANKET DRIVE
A huge thank you to all the Marist pupils and staff that brought blankets and scarves for the Mini City Council blanket drive. The blankets and scarves were distributed to six charities around Johannesburg on 13th June. Thank you for giving hope where it is needed most!

RING WORM
We have had one or two reported cases of ring worm in the Primary School and ask that parents please take note of the following:

- Ringworm is a common fungal infection of the skin and is not due to a worm.
- Ringworm causes a scaly, crusted rash that may appear as round, red patches on the skin. Other symptoms and signs of ringworm include patches of hair loss or scaling on the scalp, itching, and blister-like lesions.
- Ringworm is contagious and can be passed from person to person by contact with infected skin areas or by sharing combs and brushes, other personal care items, or clothing.

✓ LOVE OF WORK  ✓ FAMILY SPIRIT  ✓ IN THE WAY OF MARY  ✓ SIMPLICITY  ✓ PRESENCE
Ringworm can be successfully treated with antifungal medications used either topically or orally.

MARIST FAMILY GROUP MEETINGS (MFG MEETINGS)
What is an MFG Meeting?
A MFG Meeting is an opportunity for our parents and guardians to meet with the Primary School Principal / High School Principal on a termly basis. This platform allows our Principals to address and to keep parents abreast of termly updates on any new developments / advances. However, the main reason for such a forum is to allow you, our parents, the opportunity to seek clarity on matters that are relevant to you.

Primary School MFG Meeting:
All parents and guardians are encouraged to join our Primary School MFG Meeting on Tuesday, 03rd July 2018.
The meeting will start at 07h45 in the Auditorium in the Marian Resource Centre.
Please forward agenda items to Mrs Edwards: tedwards@maristbl.co.za by the latest, 26th June 2018.
For more information, please contact Mrs Edwards on 071 892 6668

SOCCER AND NETBALL RESULTS

Soccer Results
Congratulations to our Soccer boys for a very successful season.
The U14 boys finished 4th overall in the pool stages of their league, narrowly missing a spot in the quarter finals. Well done boys!
The U16 and Open boys both finished first in the pool stages of their respective leagues.
The U16’s will be playing in the semi-finals at Randburg Football Club on 25th July, and the opens will be playing in the quarter finals here at MBL on 18th July.
Please come and support our boys.

Netball Results

Our Netball girls had a good season, finishing 7th in their pool ahead of Assumption Convent. Well done girls!

**Target group**
Teachers, classroom facilitators, school-based therapists, education support staff.

**Outcomes**
- Understand how children develop and learn.
- Empower teachers to understand how fundamental early learning years are and the critical role they play.
- Help teachers to understand and use freedom and structure together.
- How to stimulate free play and help children develop creative thinking skills.
- Sensory play ideas – touching, seeing, hearing, smelling, tasting and moving – how to ensure all learning boxes are ticked.
- A teacher’s sensory play guide – what is needed more and what is needed less?

**Content**
- The clash between modern day living and normal developmental patterns for younger children.
- Unpacking the influences of technology, busy lifestyles, socio-economic pressures, stress & demands.
- State of health and increasing prevalence of diagnosis in children today.
- Brain development – a sensory journey of seeing, hearing, touching, smelling, tasting and moving.
- Sensory foundations for learning – how does it work?
- Balance and basics – how the senses play a fundamental role in development.
- What is play and how does multi-sensory input impact play?
- A sensory play guide based on developmental needs.

**About Sensory Intelligence®**
Sensory Intelligence® Consulting was founded by Dr Annemarie Lombard in 2002 and is backed by her 26 years’ local and international experience as an Occupational Therapist and workshop facilitator. She holds a PhD in Occupational Therapy and practised with children with learning difficulties for 15 years. She works with a group of esteemed Occupational Therapists and to deliver Sensory Intelligence® as a training and development tool in South Africa and abroad. Their primary objective is to empower and equip teachers and parents so that children can learn and develop optimally. With loads of energy, passion and commitment they share their knowledge in a practical, easy to understand and no-nonsense way. They want happy kids, happy families and schools that really nurture learning, to ultimately Rethink the way we learn!
